To whom it may concern

15 October 2011

**REHABILITATION OF VARIOUS ROADS IN THE KLOOF AREA**

The Roads Provision Department will be undertaking road rehabilitation work on various roads in the Kloof area. The works is planned to commence during October 2011 and anticipated date for completion is February 2012, subject to conditions beyond our control.

The works will take place during the day between 08:00 to 16:00. Although all traffic movements will be allowed during these times they will be restricted by lane closures, which could result in delays. Residents and landowners will be advised of works in a particular road via door to door notices prior to commencement of the works.

The roads affected are:

- Abelia Road – From Impangele to Dan Pienaar Road
- Pioneer Road – From Old Main Road to M13 on ramp (Shell Garrage)
- Village Road – From Old Main to Pioneer Road
- Old Main Road – From Pioneer to Village Road

Road users and residents are advised to exercise extreme caution and patience when travelling through the construction site during this period, and are also urged to consider alternative routes where possible.

For any further enquiries or information, please contact Craig Bradely on: 031 583 3400.

Rick Crouch  
Councillor – Ward 10
